**REVISED CRITERIA AND
RESCRUTINY OF APPLICATIONS**

The Institute scrutinized the applications received against the advertisement cited. The Provisionally Shortlisted (PSL) and Not Shortlisted (NSL) candidates along with the criteria were published on our website, in order to maintain transparency in the selection process. One month time was given to the candidates to inform grievances, if any. Accordingly, the institute received representations from about sixty candidates.

The grievances are being considered favorably and the revised criteria will be evolved. Based on the revised criteria the revised status of the candidates will be published on our website and further process of selection will be informed.

Due to COVID-19 pandemic lockdown the institute is handicapped and unable to take forward the selection process as planned.
